Possible Postal Problems

As you will be aware there is the threat of nationwide industrial action within Royal Mail starting on Thursday 22nd October. We are currently in discussion with the company to see what services, if any, will be available. Please keep an eye on the South West Website where details will be published.

Result Cards

We have been asked to request you do not punch holes in the cards prior to posting them. There have been cases where the information on the address side needed by Royal Mail's sorting machinery has been lost due to the hole obliterating part of the text and we have been surcharged.

Telephoning of results

We are aware that games do occasionally run late for a variety of reasons. Please remember to call us BEFORE 5.30 to advise us if a game is running sufficiently late that you will not be able to call the result in by the deadline. We can then plan accordingly.
