THE OFFICIAL BEER OF SOUTH WEST RUGBY

MAY 2018

St Austell Brewery welcomed Cornwall's finest yet again to this year's Tribute sponsored Cornish Rugby Union awards night, celebrating another successful season for the sport across the county. Not one but two outfits shared in the special Team of the Season award this year, with St Ives and Liskeard/Looe picking up the accolade together to crown their success across the year.

TRIBUTE ANNOUNCES SPONSORSHIP OF LADIES CORNWALL RUGBY AND REFEREES OF SOUTH WEST RUGBY

Tribute is delighted to announce the sponsorship of both Ladies Cornwall Rugby and the Referees of South West Rugby. Ladies Rugby is now and Referees is August. Sponsorship has played a huge part for Tribute to become synonymous with South West sport and this latest agreement further cements this.

The Morganians Club at Bridgwater also played host to this year's St Austell Brewery Tribute sponsored Rugby Union awards, with a league and cup double for Wellington kicking off an evening of celebration of the sport across the South West

St Austell Brewery Trade Marketing Manager Marc Bishop was delighted to be on hand to present the awards as usual, commenting, *"As a company we are so proud to be a part of South West Rugby through Tribute. Every year the quality in each league seems to get better and better, which makes for a very bright future for the sport in our region and means we can expect to see more and more youngsters coming through to represent not only town and county, but hopefully the national side as well."*

The awards night ended with the presentation of the special Tribute You've Earned It trophy – congratulations to Somerton! To raise funds and awareness, the club organised a 'Strictly Come Dancing' evening in March last year which was attended by around 250 people after the previous season's Party in the Park and, in February this year, their President, Goff Rumbles, was at Twickenham to receive from England head coach Eddie Jones, the RFU President's Value the Volunteer Outstanding Contribution Award in recognition for being the driving force behind the club securing sponsorship and grants.

COME AND SEE US ON STAND 476

Royal Cornwall Show

If you're heading to the Royal Cornwall Show between 7-9th June, come and visit the St Austell Brewery Tribute Tavern, which is proudly serving award-winning Cornish brewed Ales, Lager and Cider, as well as a selection of delicious wines.

A traditional, welcoming Cornish pub in the heart of the showground, the Tribute Tavern is the perfect spot to take a break, meet friends and enjoy a well-earned pint.
